Project review

November 26, 2018

Project report

- Prepare slides
- Introduce your team
- Describe how you handled the project. E.g. :
  - Explain the problem you wanted solve
  - Explain how you organized your team
  - Describe the scope you **agreed** with the customer
  - The tasks you defined (e.g. present your scrum board)
  - Describe how you controlled your project (e.g. present your scrum board)
  - Explain your design
  - . . .

- Describe what you've learnt during the project
  - Methods
  - Skills
  - . . .

Sprint review

- Make a demo of all the stories you've **completely** finished
- **Each** team member makes a demo
- Prepare all needed resources for the demos (e.g. slides, data, . . .)
